## Directions and Parking Guidance

### **Directions:**

Our home ground is Elsworth Recreation Ground. It's accessed from Broad End or Smith Street in Elsworth and is close to the Poacher Public House. Nearest Postcode is CB23 4JD.

### **Parking:**

Please help us continue our good relations with the residents of Elsworth. Parking should only be in the car park at the ground, on the part of Broad End leading to the car park or on Smith Street.

The plan below shows the area for parking marked in green. Please could you advise your parents and other supporters not to park on verges, block driveways or park on footways. Red denotes area where parking should be avoided.
